Designation of Bathrooms, Locker Rooms, and Dressing Rooms

The School Board is dedicated to providing students equal access to bathrooms, locker rooms, and dressing rooms in District schools. The Student Code of Conduct applies when students use District bathrooms, locker rooms, and dressing rooms. Therefore, students will be subject to discipline for failing to abide by the Student Code of Conduct.

The Board separates bathrooms, locker rooms, and dressing rooms on the basis of biological sex at birth. Students requesting an accommodation can be provided a single stall/private restroom option on a case-by-case basis by following the appropriate process.
