Do you need to be co-hosted?

17:45:04 From Michael Ramirez to Rood, PChristine(Direct Message):

No I do not need to...thank you.

17:45:17 From Rood, PChristine to Michael Ramirez(Direct Message):

18:02:26 From Chelsea Robinson to Everyone:

I have already had a parent ask me that exact question re: middle schools.

18:10:20 From Justine Shaul-Middle School to Everyone:

Concerned about the same thing Scott. Families will have a difficult time making decisions about schools without knowing how their children will be impacted in middle school if there is not an updated zone map for middle and high school. It makes future planning very difficult.

The next meeting of the Executive Committee is February 6, 2023
