In lunch news, did you hear the rumor about butter? Well... I'm not going to spread it...

## Attention 8th Graders!

TOMS guidance department wants All 8th graders to know that they must participate in the student assignment process to be assigned to a Lee County High School for the 2021-2022 school year. A preprinted application with a PIN number was mailed to all students mid-January to access the online high school enrollment application. Three Oaks Middle has 81 students who have not yet completed this process. The deadline to enroll is Friday February 26th. Please see your counselor if you have any questions or need help with the process.

## Coronavirus (COVID-19)

COVID vaccines are being released more and more each day but we must remember to continue avoiding COVID the best we can. Wear your masks properly, wash your hands often, use sanitizer, keep an appropriate distance and avoid touching other people and objects around the school when possible.
