Attention 8th Graders!

TOMS guidance department wants All 8th graders to know that they must participate in the student assignment process to be assigned to a Lee County High School for the 2021-2022 school year. A preprinted application with a PIN number was mailed to all students mid-January to access the online high school enrollment application. Three Oaks Middle has 81 students who have not yet completed this process. The deadline to enroll is Friday February 26th. Please see your counselor if you have any questions or need help with the process.

Coronavirus (COVID-19)

Students, TOMS wants you to remember to continue avoiding COVID the best we can. Wear your masks properly, wash your hands often, use sanitizer, keep an appropriate distance and avoid touching other people and objects around the school especially during lunch time. Stay the proper distance away from people in front of you and do not touch other students at any time from your or other classes.

Black History Month Profile of the Day

Harriet Tubman was an American abolitionist and political activist. Born into slavery, Tubman escaped and subsequently made some 13 missions to rescue approximately 70 enslaved people, including family and friends, using the network of antislavery activists and safe houses known as the Underground Railroad. During the American Civil War, she served as an armed scout and spy for the Union Army. In her later years, Tubman was an activist in the movement for women's suffrage.
