Do you like to run, jump, or throw? Then Track and Field is the sport for you. You can run the 100m, 200m, 400m, 800m and mile. There are also relays, shot put, discus, and long jump. This is a great year to be able to try all of the races and events. There will be prizes for the winners at the end of the season. This is the last week you can sign up. The deadline is Friday, March 12th, no exceptions. You must get onto the Google Classroom and fill out the Interest Form and the County Intramural Release Form to save a spot. We will organize genders and grades and post on Google Classroom what day you will need to come to practice. Please contact Coach Cline or Coach LeBeau with any questions.

COVID-19
CORONAVIRUS DISEASE 2019

Students, TOMS wants you to remember to continue avoiding COVID the best we can. Wear your masks properly, wash your hands often, use sanitizer, keep an appropriate distance and avoid touching other people and objects around the school especially during lunch time. Stay the proper distance away from people in front of you and do not touch other students at any time from your or other classes.

Keep TOMS the safest it can be! If you see/hear something **troubling**, let your teacher/administration know!

In seasonal news, Spring is here! We got so excited we accidentally wet our plants...

Do you enjoy helping others? Do you want to improve your community? Join the Interact Club! The club works with the Rotary Club of Estero to volunteer in community events. Jean Ruth Bader Ginsburg was an American lawyer and jurist who served as an associate justice of the Supreme Court of the United States from 1993 until her death in September 2020. She was nominated by President Bill Clinton, replacing retiring justice Byron White, and at the time was generally viewed as a moderate consensus-builder. She eventually became part of the liberal wing of the Court as the Court shifted to the right over time. Ginsburg was the first Jewish woman and the second woman to serve on the Court, after Sandra Day O'Connor. During her tenure, Ginsburg wrote notable majority opinions, including *United States v. Virginia* (1996), *Olmstead v. L.C.* (1999), *Friends of the Earth, Inc. v. Laidlaw Environmental Services, Inc.* (2000), and *City of Sherrill v. Oneida Indian Nation of New York* (2005).
