As we go through school, we are often told we can be anything we want to be when we grow up. Today we have a story some of you might have heard about already. A student who graduated from TOMS two years ago is heading towards her ultimate singing goals. With hard work, practice and opportunity, Casey has shown us that it is possible to achieve our dreams. Click or paste the link below to see what Casey has been up to.

Wear your masks properly, wash your hands often, use sanitizer, keep an appropriate distance and avoid touching other people and objects around the school when possible, especially at lunch...right before we eat..
