Keep TOMS the safest it can be! If you see or hear something **troubling**, let your teacher/administration know!

In biology news, we found out why crabs don't give to charity.. It's because they're shellfish...

COVID vaccines are being released more and more to the public each day but we must remember to continue avoiding COVID the best we can. Wear your masks properly, wash your hands often, use sanitizer, keep an appropriate distance and avoid touching other people and objects around the school when possible, especially at lunch...right before we eat..

This weekend TOMS's very own Sebastian Canizares took 2nd place in the category for Original Oratory at the Florida speech and debate state championships! A reminder this is a memorized ten-minute, completely original speech. Sebastian was allowed to update his previous speech, "The Ultimate Crime," and re-film it.

THE ULTIMATE CRIME

Attention Track & Field Athletes: This week is the last week for track. If you are a top finisher or won an event, you **MUST** be present to win your t-shirt or prize.
