It is the time of year for new NJHS members to apply. We have 72 qualifying 7th grade students who have been sent an invite to join the NJHS Application Google folder to apply for membership. If you received an invite to join that Google Classroom, please join today because applications are due Monday May 10th.

Keep TOMS the safest it can be! If you see or hear something **troubling**, let your teacher/administration know!

In dairy news, we found out what to call a cow in an earthquake.. a milkshake.

COVID vaccines are being released more and more to the public each day but we must remember to continue avoiding COVID the best we can. Wear your masks properly, wash your hands often, use sanitizer, keep an appropriate distance and avoid touching other people and objects around the school when possible, especially at lunch...right before we eat.

You can't go back and change the beginning, but you can start where you are and change the ending.

— C. S. Lewis —

Students, this year has been challenging to say the least...but we have begun our last quarter of the year and while the year is a little longer, it is important that we finish strong. Get your assignments in on time, make time to study for your tests and complete major assignments to the best of your ability.
