"It's time we face reality, my friends. ...  
We're not exactly rocket scientists."

Keep TOMS the safest it can be! If you see/hear something **troubling**, let your teacher/administration know!

In literary news, I'm reading a book about anti-gravity and found that...It's impossible to put down.

Students, TOMS wants you to remember to continue avoiding COVID the best we can. Wear your masks properly, wash your hands often, use sanitizer, keep an appropriate distance and avoid touching other people and objects around the school especially during lunch time. Stay the proper distance away from people in front of you and do not touch other students at any time from your or other classes.
