GENERAL INFORMATION

New Volunteer Application

(Individuals who are new to the school or who require an interview in the system)

PERSONAL | PASSIONATE | PROGRESSIVE

Information you provide in this application is public record subject to release upon request to any member of the public. The School District of Lee County promotes volunteerism and supports school-based volunteer coordinators with program information and technical assistance. Individual schools actively recruit parents, businesses, and interested citizens who wish to volunteer in their particular school.

Potential volunteers obtain volunteer applications from the school in which they seek to volunteer. Completed volunteer applications should be kept in a secure location. Volunteer applications are subject to public information.

It is the responsibility of each individual school to screen applicants and keep the volunteer application on file for 4 years. Each school is responsible for completing reference checks (optional) and the required Sexual Predator and Sexual Offender screenings. The screening must be completed and documented yearly for each volunteer. If a criminal background check is deemed necessary, it is the school's responsibility to complete. The principal has the right to prohibit the individual from volunteering. The principal must approve all volunteer applicants before they assume volunteer duties.

School personnel have permission to duplicate any materials provided by the District Volunteer Coordinator.

Volunteers are covered under the District's worker's compensation insurance if they require medical treatment for an injury incurred in the course and scope of their volunteer employment. Volunteers who are placed through outside organizations such as Foster Grandparents are covered by that organization's insurance.

ROLES AND RESPONSIBILITIES

A school volunteer program acts as a vehicle to provide additional educational resources to students, teachers, and other staff members. The suggested roles and responsibilities determine how each participant will be involved with the school-level volunteer program:
